Chamberlain's Restaurant Terms and Conditions

Please take care that you read and understand the terms and conditions with which we agree to supply catering services. Confirmation of booking our services once the contract has been signed will be chargeable as specified.

Numbers and menu choices

The quality of our party service depends on the fact that any function we undertake is meticulously planned, purchased and cooked. Numbers therefore should be strictly adhered to.

All prices quoted are for a specific number of guests. If numbers drop our overheads do not and in accordance menu prices may change, subject to notification.

Numbers and menu choices must be confirmed 7 days in advance and whilst all efforts will be made to accommodate any late changes this cannot be guaranteed.

If the number of guests increases and we are able to cater for them then they will be charged at the agreed rate.

If the number of guests is less than the agreed number then the contracted number will still be chargeable.

Cancellation

Once a date has been confirmed, a deposit of £ 500.00 will be requested to secure your required date on confirmation of booking (non refundable).

Full cancellation fees will be applicable if cancellation with less than 7 days.

Payment

Payment of the final, mutually agreed invoice will be due within 14 days of the event.
